Mr. William J. Casey  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

I was very pleased to receive your letter of March 2. I look forward to meeting you and participating in what I know will be a most interesting and valuable discussion regarding the Central Intelligence Agency and how it may best accomplish its basic intelligence mission. A discussion of the Agency's relationship to the academic community should also prove valuable.

Sincerely,

  
Evelyn E. Handler  
President
